

Dragnet FT® PCP# 24175 Commercial	
Package	Product Code
6 X 1 L	5113600
4 X 3.78L	5113700

**Dragnet FT®** provides residual control of bed bug populations. Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks and crevices in walls, along baseboards, and door and window frames.

Tempo WP® PCP# 25673 Commercial	
Package	Product Code
6 X420g	5115100

**Tempo WP®** contains 20% cyfluthrin in a wettable powder formulation, which provides residual control and effective knockdown and control of bedbugs and other insect pests.

Pro Aerosol® PCP# 16282 Domestic	
Package	Product Code
12 X300g	5167000

**Pro Aerosol®** contains 0.5% pyrethrin and may be used directly on mattresses. Spray mattress lightly, particularly around seams and tufts. Take beds apart and spray the frames, springs, and all joints. Also spray cracks, crevices, baseboards, and other possible hiding places around the room. Repeat as required.

Pro® Ant & Roach Pyroduct PCP# 13074 Domestic	
Package	Product Code
12 X 600 g	5187080

**Pro® Ant & Roach Pyroduct** may be used as dust application for bedbug control. Take bed apart. Dust both sides of mattress, bedsprings, and cracks and crevices of beds.

Drione® PCP# 15255 Commercial	
Package	Product Code
4 X 3kg	5170950

**Drione®** For bedbug control bed must be taken apart and dust applied into joints and channels. Interior of framework of hollow beds should be dusted. Mattress may be dusted, especially tufts, folds and edges.

110 ULV® PCP# 15330 Commercial	
Package	Product Code
4 X 4L	5180080

**110 ULV®** may be used as a space spray for bedbug control. Take bed apart. Spray mattress, bedsprings, and infested areas. Also spray floors, baseboards, and other places where insects may hide.

<b>Pro Green Earth S.D. Insect Dust</b> PCP# 28746 Domestic	
<b>Package</b>	<b>Product Code</b>
5 Kg Carton	5187071

PRO® Green Earth S.D. Insect Dust takes advantage of mineral deposits of diatoms which have been found useful in reducing crawling insect pest populations in and around the home. Disassemble beds and dust frames, joints, mattresses, tufts and seams, floors and baseboards for control of bed bugs.
